3. MATCH ORGANISATION

- 3.1 The Coupe de la Jeunesse is an event for U19 athletes who are not yet performing at a level which merits selection for the World Rowing U19 Championships by their National Federations. The match is open to rowers, who are not participating in the World Rowing U19 Championships in the same year.

However, rowers who have participated in the European U19 Championships in the same year are eligible to compete in the Coupe de la Jeunesse.

Competitors of the Coupe de la Jeunesse may act as substitutes in a World Rowing U19 Championship team. However, if they act as effective competitors in the first heat of those World Rowing U19 Championships, their ranking at the Coupe de la Jeunesse will be retroactively scratched and the Coupe de la Jeunesse medals – if any – have to be returned to the Executive Committee.

Exceptions will be treated by the Executive Committee upon request from the member. The Executive Committee will decide with reference to the purpose of the Coupe de la Jeunesse and respecting fair play. The Executive Committee is empowered to impose sanctions in case needed.

- 3.2 In principle the match will be held one week before the World Rowing U19 Championship.
